

THE TALLEST TOWERS IN MACQUARIE PARK

Taking luxury living to new heights. Meriton's newest masterpiece at Macquarie Park, Trilogy, will be one of Australia's tallest residential developments within a suburban setting and the tallest in Macquarie Park. Three remarkable towers rising 39, 45 and 59 levels.

Trilogy lays claim to a premier island site beside the lush green expanse of Lane Cove National Park. This enviable position creates the ambience of a private sanctuary with the convenience of all of life's pleasures at its door.

From their superb vantage point, Trilogy's luxurious oversized apartments will command unparalleled views. From morning to night, you'll marvel at expansive never-to-be-built-out vistas over Lane Cove National Park to the Sydney city skyline.

Trilogy builds on the success of Meriton's first development within the precinct, Destination, where all apartments are now sold and occupied, which is a testament to this exceptional location and quality product.
